and happy New Year!**

T-TEN NORTH AMERICAN CHAMPIONSHIP – PREVIEW AUGUST 7TH TO AUGUST 12TH, 2012 CLEVELAND HARBOR FLEET 19 EDGEWATER YACHT CLUB (EYC)

Cleveland Harbor Fleet 19 is pleased to welcome the T-10 North American Championship to Edgewater Yacht Club (EYC) in Cleveland in August of 2012. Owners in the fleet, from Edgewater Yacht Club and Cleveland Yachting Club, have already started the preparations for the event.

EYC is well prepared to host the 2012 T-10 NAC having hosted numerous national and international events including the 1998 J24 World championship, the 1999 J-22 North American Championship, the 2007 Ensign National Championship plus numerous other events. Additionally, for 30+ years, EYC has hosted Cleveland Race Week, a 10 day long racing event host to more than eight one design fleets, four days of PHRF class racing plus junior, women and remote controlled boat racing in between. For the past two years, EYC has hosted the T-Ten Lake Erie Championship (T-Ten Sanctioned Event) with three days of racing (except Friday – drifter both years), a great 'T-Ten Blender Party' and

traditional Cleveland Race Week social events.

EYC has great facilities including an on-site travel lift for launching (free), mast stepping (free), trailer storage (free), docks for every competitor (free), shore power (free), full service bar and restaurant, pool with bar, picnic pavilion overlooking the lake and easy access to the lake and race course. The club is located close to downtown Cleveland with numerous tourist opportunities including the Rock and Roll Hall of Fame, Steamship Mather, Science Museum and some of the best cultural establishments in the country. Further details at www.cleveland.com and www.positivelycleveland.com

Fleet 19 is also the home of the 'Original T-Ten Blender Party'.

T-Ten North American Championship—Preview

August 7th—August 12th, 2012

Cleveland Harbor Fleet 19

Edgewater Yacht Club (EYC)

The following is the **PRELIMINARY** schedule of events.

The social events will be finalized soon, but the club features two outdoor bars and a new pool facility opened in August 2011. Check for updates on the T-Ten website: www.tten.com. The regatta website will be online just after the first of the year. A link will be provided on the T-Ten website.
